

# St. John's CE Infant and Nursery School Newsletter

Summer Issue 4

12.05.17

Dear Parents/Carers,

Our amazing world was brought to life this week for Sycamore and Beech class when they became science explorers at the Natural History museum. They all had a wonderful time and have been chatting lots about their day. Thank you to all the parents that came along to help. We hope you enjoyed it as much as the children.

It's walk to school week next week. It would be wonderful to see as many children walking to school as possible. Don't forget to wear your 'funky' shoes on Friday.

Fidget spinners and Fidget cubes are the latest craze at the moment. Please can you ensure that they are not brought to school.

Have a lovely weekend

Best wishes, Mrs Aharon and Mrs Leggett.

## School Value

Peace

*"The day the power of love overrules the love of power, the world will know peace."*

**Mahatma Gandhi**

Next week is Walk to School week.

We are encouraging as many children to walk to school as possible. Please park at Phillimore Park and walk to school from there. Each class will be collecting stickers to show how much walking they have achieved during the week.

We will also have a special visit from Buster on Friday who will be greeting the children on the gate in the morning.

## Attendance

This week it is:

**Magnolia Class**

Well done!

Sycamore	95.8%
Beech	94.7%
Lilac	96.1%
Maple	98.1%
<b>Magnolia</b>	<b>99.4%</b>

## Science Explorers

Year 1 have been learning to identify and name wild and garden plants in their Science lesson. The children worked very well in their pairs and teams to use their plant identification sheets to learn the names of new plants. We even visited the school pond to look for plants and some of us got to feed the school fish.

## Diary of upcoming events

Date	Event	Year Group
15.05.17	Walk to school week	All
23.05.17	Times table-athon	Year 1 and Year 2

01.07.17	Summer Fair (12:00 – 3:00)	All
13.07.17	Leaver's disco	Year 2

# Reception's trip to the Natural History Museum

This week, Reception class have been scientific explorers during their trip to London's Natural History Museum. They all came back very excited and full of new facts. Rosie Gooden has written a wonderful recount of the day.

Yesterday we went to  
 The Natural history museum  
 we saw dinosaurs pandas bugs  
 and a polar bear.  
 we dress up to be a explorer  
 we had lots of fun it was  
 pure was the best.  
 it was the best day ever.  
 by Rosie
