Thursday 20<sup>th</sup> April 2017

Dear Parents/Carers,

**Science Week: 24<sup>th</sup> April – 28<sup>th</sup> April**  
**This year's theme is: 'How to be a Scientist'**

Next week is Science week! We are very excited to be hosting a variety of science activities and experiments throughout the week, including a surprise visitor and friends!

Parents are invited to join us for the annual Science Breakfast Challenge. Please complete the reply slip and **return by this Monday 24<sup>th</sup> April.**

## **SCIENCE BREAKFAST CHALLENGE**

Thursday 27<sup>th</sup> April 7:30am

This science event is early but aimed at including our working parents/carers so they can come before work however all parents are invited. There will be a science challenge to complete with possible prizes to be won! A hot breakfast will be provided for both adults and children however we must have numbers confirmed by Monday morning at 10am so our lovely chef can organise catering.

Any questions please contact your child's class teacher.

Yours faithfully,

Sophie Cooper  
Science Leader
